01 Publish

A public event page that can appear in Discover, with early bird pricing and optional guest coach private lesson slots.

02 Sell

Tickets with checkout, payment collection through Stripe, and a confirmation with a QR code for every buyer.

03 Check in

Scan ticket codes at the door and see who has arrived, then review attendance afterward.

04 Settle up

Closeout and settlement reports with financial summaries you can export.

Event pricing is shown in full before you create an account, including platform and payment processing fees.
